## *Foreword*

---

This Education Directory has been prepared by the Division of School-Community Relations from materials submitted by local education agencies, the various divisions of the Department of Public Instruction and the Controller's Office, and organizations and institutions.

It lists members of the State Board of Education, staff of the Department of Public Instruction and Controller's Office, local education agency staff, each school and its organization and accreditation status, special schools, institutions of higher education, and various school-related organizations and services.

We hope this information will be useful to you.

Craig Phillips  
State Superintendent of Public Instruction

# County and City School Units

County units are listed alphabetically and are printed in bold capital letters. City units are listed alphabetically under the counties in which they are located and are printed in bold capital and lower case letters.

Under the heading "Accreditation Status," SA indicates that these schools are accredited by the Southern Association of Colleges and Schools.

Administrative units accredited by the State Board of Education in accordance with the current policies and procedures are so designated in the first line of each accredited unit's entry.

Schools are listed according to code numbers and alphabetically. See page 21 for further explanation of the code numbering system. An alphabetical index of all public schools with code numbers starts on page 119.
